SIR

Responsibility of Ex-officio Presidents of Town and Minor Municipal Councils re. the progress in the collection of Municipal taxes.

With reference to your Memo No.C.2779 of 41-42 dated 29-12-1941 and subsequent reminders ending with your D.O. of even number dated 27-9-1942 on the above subject, I have the honour to state as follows:-

The collection of assessed taxes in local bodies is bad in spite of the best efforts made by the local officers in this behalf. Whenever the taxes fall into arrears, they cannot easily proceed -- against the properties concerned in respect of which the taxes are due as in the case of Land Revenue arrears. They have to proceed only against the movables of the defaulters or file suits against them in Civil Courts. The process of law is rather slow and for the summary process of distraint of movables, most of the Municipalities are not in a position to employ Special distraining Officers who can efficiently look after this work. Many of the Municipalities have employed only bill collectors to attend to the collection work and in some cases Municipal Clerks themselves have to attend to this work in addition to their own. These clerks and bills collectors cannot be entrusted with the work of executing distraint warrants. Even in Municipalities which have secured the benefit of executive subordinates of the grade of Sanitary Inspectors or Assistant Sanitary Inspectors the Department of Public Health would find fault with the Presidents whenever such subordinates are entrusted with the collection work in the Municipalities. In the case of eight out of the seventeen Municipalities in this District the Head Quarters of the presidents are different from those of the Munici-

P.T.O.

palities concerned. The non-official Vice-Presidents and Municipal Councillors evince little or no interest in - - - collection work and o ten come in the way of promot collection. Very often they themselves are the worest defaulters. In spite of these handicaps, the Revenue Officers who are ex-Officio Presidents have ~~to~~ somehow managed to collect -- sufficient taxes to keep the administration going - Their responsibilities and duties have enormously increased as a result of the abnormal situtuion created by the war throughout the country. All that I can say for them is that they are doing their best. The Enclosed statement shows the comparative figures of collections of assessed taxes for the past three years. The explanations of the Officers concerned have been called for and will be forwarded on receipt.

I feel that there is no likelihood of the collection work in the Municipalities improving appreciably unless the coercive process is simplified or the non-official Councillors actively cooperate, of which I see no visible signs.

I have the honour to be,
Sir,
Your most obedient servant,

With reference to your Memo No C.2779/41 dated 29-12-41 and DO reminder dated 15-6-1942 - calling for a report on the action taken by the Ex-Officio Presidents ofthe Municipalities on the Circular instructions issued by the Chief Secretary to Government in respectof collections of Municipal Taxes I have the honour to orward herewith statement showing the Demand,Collecion and Balance of Municipal Taxes for the year 4112 for favour of information.

2 As the begining of the year, a sum of Rs 41,324-8-5 was outanding and a sum of Rs.52,964-4-5 was brought on demandhus making a total of Rs Rs 94,288-12-10 for cdection during the year Out of this,only a sum ofs 50,043-0-8 was collected and Rs.2,845-0-2 was remied leaving a balance of Rs.41,401-12-0 at theid of the year.

3 It is seen om the statement that the arrears

P.T.O

the arrears are in the increase in Seringapatam, Frenchrocks, Melkote and Maddur Municipalities. The percentage of collection towards current demand for the District was 64.37 and the percentage in Malavally, Krishnarajpet, Melkote and Maddur Municipalities being only 57.93, 34.49, 28-0 and 38-23 has fallen short of the District average. As regards arrears as against the District average of 38-35%, the percentage in Seringapatam, Malavally, and Maddur Municipalities is only 20.75, 35.45, and 21 90 respectively The attention paid for collection work in Seringapatam, Malavally, Krishnarajpet, Melkote and Maddur is not at all adequate Though repeated observations were made in the periodical review that the Presidents should take greater interest in the colletion of Municipal Taxes, no appreciable progress has been shown by Presidents of Malavally, Seringapatam, Krishnarajpet, Melkote and Maddur Municipalities. Instructions have been issued again while reviewing the statement of the D C.B for the quarter ending 30-6-1942 that if the arrears are not reduced to an appreciable extent and if Municipalities are put to loss owing to the arrears becoming irrecoverable owing to inaction on the part of the Executive, personal liability of the Presidents would be enforced

4. After the receipt of the D C B statement for the quarter ending 30-9-1942, the progress made till then, will be reviewed and further instructions issued for speeding up the recovery of the balance left.
